(Income Tax / GST/Company Law/Accounts & Audit /International Taxation & Transfer Pricing Modules)

Dear Sir,

As discussed with you, we would like to provide one month free access of our www.taxmann.com database to your campus

For activation kindly provide I.P address to do the needful.

Kindly see features of the above modules inform all your students and take feedback from them.

Income Tax module

- **[90,000+ Case Laws with Integration, Headnotes/Case-Digest]** Taxmann understands the importance of finding the right Case Law. For this very reason, we provide multiple filters & coverage of Case Laws from all Courts. To help you go through multiple cases in a short period, we provide a 'three-line digest' to get a glimpse of the ratio of the case, 'headnote', to get the relevant summary of the facts & ratio, and finally 'case-digest' to get more details about the facts & ratio laid down.
- **[Acts/Rules]** Taxmann's Income Tax Act/Rules & other allied Acts/Rules are updated in real-time, meaning you always get the most amended, updated & authentic Income-tax Act/Rules. It also includes allied Acts/Rules. The unique feature of Taxmann's Act/Rules is the 'See More' feature, which integrates relevant/related Case Laws, Circulars, Notifications, Articles, etc.
- **[Forms]** This section features Income-tax Forms, other Forms, Challans, Income-tax Returns, Models and Drafts. Income-tax Forms lists out all ITRs & Forms prescribed in the Income-tax Rules. Other Forms lists out the various Forms referred in Income-tax Rules & allied Rules mentioned in the Income-tax Rules. Models & Drafts include 45+ samples of documents that are relevant in your day-to-day practice.
- **[20,000+ Circulars & Notifications]** This section includes Circulars & Notifications referred to in the Income Tax Act/Rules & other allied Acts/Rules or issued by the Central Board of Direct Taxes (CBDT). They are updated in real-time, meaning you always get the most amended, updated & authentic Income-tax Circulars &

Notifications. The unique feature of Taxmann's Circulars & Notifications is the 'See More', which integrates relevant/related Case Laws, Sections, Articles, etc.

- **[10,000+ Articles]** Navigate the grey areas of the laws with multiple articles/opinions from industry leaders. Read more than 10,000+ articles/opinions on Income Tax Act & other Allied Acts.
- **[Income Tax Ready Referencer]** Taxmann's Research gives you access to various tax information required on a daily basis. Taxmann's Ready Referencer includes Tax Rates, Depreciation Rates, TDS and TCS Rates, Interest on Small Savings Schemes, Cost Inflation Index. It also includes various charts and tables relating to Deductions, Limitation Period, etc., income tax procedures pertaining to Income Tax Returns, TDS Returns, TCS Returns, etc.
- **[Updated & Amended 15+ Commentaries]** Taxmann's Research Commentaries are in-depth and detailed write-ups on various provisions of the Income-tax Act. Every commentary is bifurcated into multiple chapters making it easier to find the relevant and related discussion in a structured way. Leading experts have authored the commentaries, which are updated after every Finance Act.
- **[All About Income Tax Act]** Taxmann's trademarked feature links all the primary & secondary source documents, enabling you to access multiple documents quickly. The entire purpose of All-About is to simplify how you work. In other words, choose a Section of the Income-tax Act, and the All-About tool will show you all the connected records in a single window, be it Rule(s), Circular(s), Notification(s), Case Law(s) etc.
- **[Latest News & Updates with Taxmann's Analysis]** Know about all-important news & updates for Income Tax Law in India in three minutes or less with single-line and three-line summaries. Taxmann is known for the accuracy & authenticity of the content. Taxman reports news & updates from 1,000+ authentic & verified sources. You can also view the 'Most Viewed' stories of the week or go through our 'Editors Pick', or lastly, access archival news & updates, where you can sort documents using filters like document type, tags, duration, etc.

Goods & Services Tax (GST) Module

- **[95,000+ Case Laws with Integration, Headnotes/Case-Digest]** Taxmann understands the importance of finding the right Case Law. For this very reason, we provide multiple filters & coverage of Case Laws from all Courts/Authorities. To help you go through multiple cases quickly, we provide a 'three-line digest' to get a glimpse of the ratio of the case, 'headnote', to get the relevant summary of the facts & ratio. The important cases are also accompanied by 'held part' with the relevant para no.
- **[75+ Acts/135+ Rules]** Taxmann's GST/CGST/SGST/IGST/UTGST & Compensation Cess Act/Rules & other Indirect-tax laws are updated in real-time, meaning you always get the most amended, updated & authentic statutory contents. Each Section/Rule provides the legislative history of the amendment(s), along with relevant Rules and Forms. You can also view the Acts/Rules either Section-wise or Chapter-wise.
- **[GST Tariff]** Taxmann's GST Tariff on Goods and Services provides the HSN wise CGST, SGST/UTGST, and IGST rates. The unique tool 'Historical Tariff'

enables you to check the GST rate applicable during different periods. For further convenience, check the GST rate applicable on any date by entering the date on the calendar.

- **[330+GST Forms]** This section features GST/CGST/SGST/UTGST Forms. They are updated in real-time, meaning you always get the most amended, updated & authentic statutory materials.
- **[16,000+ Notifications & 5,500+ Circulars]** Taxmann's Notifications & Circulars provides up to date Notifications, Clarifications, Press Releases, Removal of Difficulty Orders, etc., for CGST, SGST, IGST, UTGST, Compensation Cess, & other Indirect-tax laws. The unique tool, i.e., 'Notifications in Force', provides you with a list of effective Notifications currently in force, enabling you to do faster research.
- **[3,000+ Articles]** Navigate the grey areas of the laws with multiple articles/opinions from industry leaders. Read more than 3,300+ articles/opinions on GST & other Indirect-tax Laws
- **[14+ Commentaries | Updated & Amended]** Taxmann's Research Commentaries are in-depth and detailed write-ups on various provisions of the GST & other Indirect-tax Laws. Every commentary is bifurcated into multiple chapters making it easier to find the relevant and related discussion in a structured way. Leading experts have authored the commentaries, which are updated after every Finance Act.
- **[All About CGST/IGST/GST Compensation Cess]** Taxmann's trademarked feature links all the primary & secondary source documents, enabling you to access multiple documents quickly. The entire purpose of All-About is to simplify how you work. In other words, choose a Section of the CGST/IGST/GST Compensation Cess Act, and the All-About tool will show you all the connected records in a single window, be it Rule(s), Form(s), Circular(s), Notification(s) In-force, Case Law(s) etc.
